"IT'S THE EXCITING PART OF THE FORCES I BELIEVE, YOU STEER SHIPS, FIRE GUNS. IT'S AN ADRENALINE RUSH."
DAVID EYLES, MARITIME WARFARE OFFICER.

"IT'S PRETTY REWARDING TO BE TRUSTED WITH SUCH RESPONSIBILITY"
NICOLE SHEDDON, COMMUNICATION INFORMATION SYSTEMS SAILOR.

THERE ISN'T JUST ONE NAVY CAREER, AND THERE ISN'T JUST ONE WAY TO JOIN UP.

You might be surprised to learn that there are over 40 different and exciting jobs as an Officer or Sailor in the Navy. The Navy will provide you with the lifestyle, work balance and job security that you want. Not many people realise that your total package includes a free medical and dental package, Home Loan Subsidy and a superannuation scheme where the employer contribution is 18% of your salary upon joining!

Choose a job that matches your skills, interests and education. The chart on the following pages will help you find the career that you are looking for, and the steps you can take to get there.

As a sailor, you are not just confined to one job. You are a part of a team and everyone has an important role to play.

The Navy will provide you with a variety of challenges and will ensure that you never get the chance to complain about a boring 9-5 job! We look forward to seeing you out there as a member of our team.

WHAT CAN YOU DO IN THE NAVY?

For more information, just check out our website. You'll find the complete list of jobs the Navy has to offer.

NAVY CAREER PATHS

NAVY THE TEAM WORKS

THE CAREERS.

THE PREREQUISITES.

THE CHALLENGES.

THE REWARDS.

NAVY OFFICER

DIRECT ENTRY OFFICER. You must be at least 17 years of age with passes in Year 12 English, and three other subjects. Alternatively, you may be a tertiary student or graduate.

AUSTRALIAN DEFENCE FORCE ACADEMY (ADFA). You must be at least 17 years of age upon entry and have completed Year 12 with results that qualify you for admission to the University of NSW.

NAVY OFFICER

Graduate entry

You must have a professional or technical qualification in areas such as Medicine, Law, Nursing or Engineering. There is also a Graduate Medical Scheme if you hold an appropriate degree qualification which allows you to be sponsored to qualify as a medical practitioner then serve as a Medical Officer in the Navy.

NAVY OFFICER

Undergraduate entry

You must be at least 17 years of age and currently studying for a professional or technical qualification at a recognised Australian university. Students studying Dentistry or Engineering must have completed the first year of a three or four year degree. Students studying Medicine must have successfully completed the first year of a five year degree or the first two years of a six year degree. Students may apply for this program before completion of the minimum study time.

NAVY SAILOR

Trade

You'll need to be at least 17 years of age and have successfully completed Year 10 English, Mathematics and Science (as a minimum qualification).

NAVY SAILOR

General entry

NON-QUALIFIED. You'll need to be at least 17 years of age and have completed Year 10 studies, including units of English and Mathematics. Some of the career options available include Clearance Diver, Combat Systems Operator and Cryptologic Linguist.

QUALIFIED. You'll need to be at least 17 years of age and have the necessary trade qualifications prior to entry. The career opportunities for qualified entry include Cook, Dental Assistant and Musician.

NAVAL RESERVE

OFFICER. You'll need to be at least 17 years of age and have the appropriate qualifications required to practice in your chosen field.

SAILOR. You must have successfully completed a minimum of Year 10, with passes in English and Mathematics. You also need appropriate industry qualifications and/or skills.

DIRECT ENTRY OFFICER. You'll undertake the New Entry Officer Course (NEOC) at HMAS CRESWELL, where you'll receive intensive officer and specialist military training to start your Naval career. **ADFA.** Your first year in the ADFA program will start at HMAS CRESWELL followed by a program to gain an appreciation for life at sea. You will then go on to study for a degree, in Arts, Science, Technology, Business or Engineering and upon graduation, start your specialisation training.

You'll be appointed as an Officer, then complete the 22 week New Entry Officer Course and the Junior Officers Leadership Course at HMAS CRESWELL. In the following three or four year appointment in the Navy, you will work in your specialist field in the unique environment that only the Australian Defence Force can provide.

You'll complete your degree at the university of your choice during which time you'll attend HMAS CRESWELL to undertake the Undergraduate Orientation Course. Upon graduation from your degree, you'll carry out the 22 week New Entry Officer Course at HMAS CRESWELL for leadership training beginning your career as an Officer.

You'll complete your 11 week recruit training at HMAS CERBERUS, followed by technical and trade training at either HMAS CERBERUS or RAAF Base Wagga depending on your chosen trade.

NON-QUALIFIED. You'll complete your 11 week recruit training at HMAS CERBERUS, followed by specialised job skills training at Defence Force establishments throughout Australia.

QUALIFIED. You'll join the Navy as a direct entry applicant where you'll complete your 11 week recruit training at HMAS CERBERUS, followed by applicable category training.

OFFICER. You'll complete the Reserves Entry Officers Course (REOC) over three phases consisting of an induction into the Navy, seagoing training and leadership and management skills.

SAILOR. You'll complete three phases of Recruit Training. The first being 21 days at the RAN Recruit School at HMAS CERBERUS, then over the next 12 months you will complete a competency journal via distance learning. You'll also attend 10 days sea training during this period.

DIRECT ENTRY OFFICER AND ADFA. You'll gain the confidence, leadership and management skills necessary to be at the head of your field and responsible for a team of sailors. You'll also receive a substantial salary package with free healthcare and excellent superannuation. ADFA graduates will also receive a degree from the University of New South Wales in their chosen field.

You'll have the opportunity to practice your profession while gaining enviable leadership and management skills which will put you ahead of your peers in your field. You'll also receive a substantial salary package, which includes free healthcare and excellent superannuation.

You'll get paid while you are studying. To find out the most up to date salary information visit defencejobs.gov.au/navy. Undergraduate Sponsorship will also pay your remaining tuition fees and provide you with an allowance for text books and equipment. Subsidised rent and free medical and dental are all part of the package. On completion of your degree you will practice your profession in a unique environment, while gaining leadership and management skills.

You will be competitively paid and supported with free healthcare, job security and excellent superannuation. You will also gain high quality training and come out with nationally recognised qualifications, rewarding career prospects, fantastic experiences and some great mates.

NON-QUALIFIED. You'll be able to choose from a wide variety of Navy careers ranging from Combat Systems to Logistics. As well as high quality training and recognised qualifications, you can look forward to ongoing training, fantastic career progression, job security and a substantial salary package, including free healthcare and excellent superannuation.

QUALIFIED. As part of an organisation built on leadership, mateship and self-confidence, you'll receive the ongoing, high quality training you need to succeed in your chosen field. To ensure a quality lifestyle, you will be provided with a competitive salary and conditions package which includes free healthcare and a high growth superannuation package. Only the Australian Navy can provide such a challenging and rewarding career with world wide travel opportunities and provide you with all the support and lifestyle that you deserve.

OFFICER. You'll receive all the leadership and management training the Navy has to offer as well as travel opportunities, the unique working environment and tax-free pay in some operational areas. **SAILOR.** You will enjoy the unique experiences offered by the Navy including travel, seagoing training, mateship as well as receiving tax-free pay in some operational areas. **RESERVE.** The leadership, management and general life skills that you will gain will enhance your chosen personal career, putting you miles ahead of your colleagues.

A CAREER IN THE NAVY

"YOU GET TO TRAVEL TO INTERESTING PLACES AROUND THE WORLD WITH YOUR MATES."
BRETT O'NEILL, MARINE TECHNICIAN.
