

EXPERIENCE A TRADE CAREER WITH A DIFFERENCE.

There's no better way to start a trade career than in the Australian Defence Force. And with the huge range of different trade careers available, it's a sure bet there will be one for you.

You'll start off on a great wage while you train to become an expert in your chosen field, receiving nationally recognised qualifications. You'll get great travel opportunities and be working with some of the most technically advanced hardware in the world.

Some of the awesome benefits include competitive salary packages, guaranteed job security, free healthcare and subsidised accommodation. Plus, with physical activity included in a typical days work, you'll find plenty of time to kick a ball around with your new mates.

So what's stopping you? To find out more email trades@dfr.com.au, call **13 19 01** or visit defencejobs.gov.au
